**NOTES:**

1. In view of the continuing COVID-19 pandemic, the Ministry of Corporate Affairs (“the MCA”) vide its Circular No. 02/2021 dated January 13, 2021 permitted the companies to hold the Annual General Meeting (“AGM” or “meeting”) through Video Conferencing (“VC”) / Other Audio Visual Means (“OAVM”), without the physical presence of the Members at a common venue, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 dated May 05, 2020 read with General Circular No. 14/2020 dated April 08, 2020 and General Circular No. 17/2020 dated April 13, 2020 (collectively referred to as “the MCA Circulars”). In compliance with the provisions of the Companies Act, 2013 (“the Act”), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“the Listing Regulations”) and the MCA Circulars, AGM of the Company for FY 2020-21 is being held through VC / OAVM. The Registered Office of the Company shall be deemed to be the venue for AGM. The detailed procedure for participation in the meeting through VC/OAVM is as per Note on INSTRUCTIONS FOR SHAREHOLDERS ATTENDING THE AGM THROUGH VC/OAVM and available at the Company’s website [www.kintechrenewables.com](http://www.kintechrenewables.com).
2. **SINCE THIS AGM IS BEING HELD PURSUANT TO THE MCA CIRCULARS THROUGH VC/OAVM, THE REQUIREMENT OF PHYSICAL ATTENDANCE OF MEMBERS HAS BEEN DISPENSED WITH. ACCORDINGLY, IN TERMS OF THE MCA CIRCULARS, THE FACILITY FOR APPOINTMENT OF PROXIES BY THE MEMBERS WILL NOT BE AVAILABLE FOR THIS AGM AND HENCE THE PROXY FORM, ATTENDANCE SLIP AND ROUTE MAP OF AGM ARE NOT ANNEXED TO THIS NOTICE.**
3. The Register of Directors’ and Key Managerial Personnel and their shareholding maintained under Section 170 of the Companies Act, 2013, the Register of contracts or arrangements in which the Directors are interested under Section 189 of the Companies Act, 2013 and all other documents referred to in the Notice will be available for inspection in electronic mode in terms of the MCA Circular dated May 5, 2020, upon E-mail request by any Member of your Company. Members seeking to inspect such documents can send the e-mail to [cs@kintechrenewables.com](mailto:cs@kintechrenewables.com).
4. Mr. Ambalal Patel (DIN 00385601), Director is interested in the Ordinary Resolution as set out at the Item No. 3 of the Notice with regard to his re-appointment. Save and except the above, none of the other Directors / Key Managerial Personnel of the Company / his relatives are, in any way, concerned or interested, financially or otherwise, in the Ordinary Business set out under Item No. 3 of the AGM Notice. Details as required in Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations) and Secretarial Standard on General Meetings (SS-2) which is issued by Institute of Company Secretaries of India relating to the Ordinary business under item No. 3 is annexed as **Annexure A** hereto and forms part of this Notice.
5. The Register of Members and Share Transfer Books of the Company will remain closed from **Wednesday, 22nd September, 2021 to Tuesday, 28th September, 2021** (both days inclusive) for the purpose of AGM and payment of Final Dividend to be declared.
6. At the 32nd Annual General Meeting of the Company held on September 20, 2017, the members approved appointment of M/s. DJNV & Co., Chartered Accountants, Ahmedabad (Firm Registration No. 115145W) as Statutory Auditors of the Company to hold office for a period of five years from the conclusion of that Annual General Meeting till the conclusion of the 37th Annual General Meeting, subject to ratification of their appointment by members at every Annual General Meeting if so required by the Companies Act 2013.  
  
Vide notification No.S.O. 1833 (E) dated May 7, 2018, the Ministry of Corporate Affairs, New Delhi has done away with the requirement of seeking ratification of members for appointment of auditors at every Annual General Meeting. Accordingly, no resolution is being proposed for ratification of appointment of statutory auditors at the 36th Annual General Meeting.
7. Members seeking any information with regard to accounts of the Company are requested to write to Company by email: [cs@kintechrenewables.com](mailto:cs@kintechrenewables.com), so as to reach at least 10 days before the date of Meeting to enable Management to keep information ready.
8. Members are requested to notify immediately change of address, if any, to their Depository Participants (DPs) in respect of their shareholding in Demat Accounts and to the Company’s Registrar & Share Transfer Agent in respect of their shareholding in physical segment by mentioning folio nos., etc.
9. The Securities and Exchange Board of India (SEBI) vide its circular dated 20th April, 2018 has mandated registration of Permanent Account Number (PAN) and Bank Account Details for all securities holders. Members holding shares in physical form are therefore, requested to submit their PAN and Bank Account Details to

Registrar & Share Transfer Agent of the Company, i.e. MCS Share Transfer Agent Limited by sending a duly signed letter along with self-attested copy of PAN Card and original cancelled cheque. The original cancelled cheque should bear the name of the Member. In the alternative, Members are requested to submit a copy of bank passbook / statement attested by the bank. Members holding shares in demat form are requested to submit the aforesaid information to their respective Depository Participant.

10. SEBI vide its circular dated 8th June, 2018 read with amended Regulation 40 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 pursuant to which requests for effecting transfer of securities shall not be processed unless the securities are held in the dematerialized form. Members holding the shares in physical form are requested to dematerialize their holdings at the earliest, as it will not be possible to transfer shares held in physical mode. Dematerialization would facilitate paperless trading through state-of-the-art technology, quick transfer of corporate benefits to members and avoid inherent problems of bad deliveries, loss in postal transit, theft and mutilation of share certificate and will not attract any stamp duty. It also substantially reduce the risk of fraud. Hence, we request all those members who have still not dematerialized their shares to get their shares dematerialized at the earliest. For any help, the shareholders may contact Registrar & Share Transfer Agent of the Company, i.e. MCS Share Transfer Agent Limited, 1st Floor, Neelam Apartment, Above Chhapanbhog, 88, Sampatrao Colony, Alkapuri, Vadodara- 390007, Tel: (0265) 2314757, 2350490, Fax: (0265) 2341639, E-mail: mcsltbaroda@gmail.com, Website: www.mcsregistrars.com.
11. The Ministry of Corporate Affairs has taken 'Green Initiative in the Corporate Governance' by allowing paperless compliances by the Companies and has issued circulars stating that service of notice/documents including Annual Report can be sent by e-mail to its members. In this regard, we solicit your co-operation to update our databank. Members who have not registered so far, are requested to register their e-mail address, contact telephone number, PAN and Bank Account details, ECS Mandate Form in respect of electronic holdings with the Depository through their concerned Depository Participants. Members who hold shares in physical form are requested to intimate their e-mail address, telephone number, PAN and Bank Account details at **mcsltbaroda@gmail.com**. In the absence of ECS facilities, the Company will print the bank account details, if available, on the payment instrument for distribution of dividend. The Company will not entertain any direct request from Members holding shares in electronic mode for deletion of/change in such bank account details.
12. As per the provision of Section 72 of the Act and Rule 19(1) of the Companies (Share Capital and Debentures) Rules, 2014, Members holding shares in physical form may file nomination in the prescribed form SH-13 and for cancellation / variation in nomination in the prescribed Form SH-14 with the Company's Registrar and Share Transfer Agent. In respect of shares held in demat form, the nomination form may be filed with the respective Depository Participant. The above-mentioned forms are available at Company's website under the Other Download section at **<http://kintechrenewables.com/other-information/>**.
13. In case of joint holders attending the Annual General Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
14. Members who have not yet registered their e-mail addresses and not updated their Bank Details are requested to follow the process mentioned below to receive the Notice of the AGM and the Annual Report 2020-21 electronically:
  1. For members holding shares in physical mode: kindly Please provide necessary details like Folio No., Name of Shareholder and self-attested scanned copy of cancelled cheque leaf and copy of PAN along with signed request letter to [cs@kintechrenewables.com](mailto:cs@kintechrenewables.com) or members can download the form by following below link and submitted with MCS Share Transfer Agent Limited (RTA of the Company).  
[https://kintechrenewables.com/wp-content/uploads/2021/01/Updation-of-Information\\_Shareholders\\_KRL\\_Final.pdf](https://kintechrenewables.com/wp-content/uploads/2021/01/Updation-of-Information_Shareholders_KRL_Final.pdf)
  2. Members holding shares in demat mode can get their e-mail registered and Bank details updated by contacting their respective Depository Participants.
15. Subject to the provisions of the Act, dividend as recommended by the Board, if declared at the Meeting, will be paid within a period of 30 (thirty days) from the date of declaration, to those members whose names appear on the Register of Members as on 21st September, 2021 (Tuesday) i.e. record date for the members who shall be eligible for dividend, subject to deduction of tax at source ("TDS").
  1. Members may note that the Income Tax Act, 1961, as amended by the Finance Act, 2020, mandates that dividends paid or distributed by a Company after 1st April, 2020 shall be taxable in the hands of the

Shareholders. The Company shall therefore be required to deduct Tax at Source (TDS) at the time of making the final dividend. In order to enable us to determine the appropriate TDS rate as applicable, Members are requested to submit the documents in accordance with, the provisions of the Income Tax Act, 1961.

- a) For Resident Shareholders, TDS shall be made under Section 194 of the Income Tax Act, 1961 at 10% on the amount of Dividend declared during financial year 2020-21, provided PAN is registered by the Shareholder with the Company. If PAN is not registered, TDS would be deducted @ 20% as per Section 206AA of the Income Tax Act, 1961.

**However, no tax shall be deducted on the Dividend payable to a resident individual if the total dividend to be received by them during financial year 2020-21 does not exceed Rs.5,000-**

Separately, in cases where the shareholder provides Form 15G (applicable to any person other than a Company or a Firm) / Form 15H (applicable to an individual above the age of 60 years), provided that the eligibility conditions are being met, no TDS shall be deducted. Shareholder can download the Form 15G from [https://kintechrenewables.com/wp-content/uploads/2021/08/FORM\\_15G.pdf](https://kintechrenewables.com/wp-content/uploads/2021/08/FORM_15G.pdf) and Form 15H from [https://kintechrenewables.com/wp-content/uploads/2021/08/FORM\\_15H.pdf](https://kintechrenewables.com/wp-content/uploads/2021/08/FORM_15H.pdf)

2. Accordingly, in order to enable us to determine the appropriate TDS / withholding tax rate applicable, we request you to provide these details and documents as mentioned above before Wednesday, 15th September, 2021.
16. Kindly note that the aforementioned documents are required to be send at **cs@kintechrenewables.com** or **cfo@kintechrenewables.com** or **mcsfildbaroda@gmail.com** on or before Wednesday, 15th September, 2021 in order to enable the Company to determine and deduct appropriate TDS / withholding tax rate. No communication on the tax determination / deduction shall be entertained post Wednesday, 15th September, 2021. Application of TDS rate is subject to necessary verification by the Company on the basis of the Member's details available in Register of Members and other documents available with the Company / RTA.

If any of the shareholder requires a TDS certificate then he or she have to send an e-mail requesting the TDS Certificate to **cs@kintechrenewables.com** or **cfo@kintechrenewables.com** and We shall arrange the soft copy of TDS certificate to you at your registered email ID, post payment of the said Dividend. Members will be also able to view TDS deducted on the Income Tax Department's website <https://incometaxindiaefiling.gov.in> (refer to Form 26AS).

17. The above communication shall not be treated as an advice from the Company or its affiliates or its Registrar & Share Transfer Agent. Shareholders should obtain the tax advice related to their tax matters from a tax professional.
18. In case the Company is unable to pay dividend to any Member directly in their bank account through Electronic Clearing Services or any other means due to non-registration of Electronic Bank Mandate, the Company shall dispatch the dividend Drafts to such members.

#### **19. VOTING THROUGH ELECTRONIC MEANS:-**

1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020. The forthcoming AGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come

first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

4. Members attending AGM through VC / OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of body corporates can attend the AGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at [www.kintechrenewables.com](http://www.kintechrenewables.com). The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at [www.bseindia.com](http://www.bseindia.com). The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. [www.evotingindia.com](http://www.evotingindia.com).
7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
8. In continuation of this Ministry's General Circular No. 20/2020, dated 05th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2021, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January,13,2021.

**THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM IS AS UNDER:**

- (i) The voting period begins on **Friday, 24th September, 2021 at 9:00 A.M.** and ends on **27th September, 2021, Monday at 5:00 P.M.** During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. **21st September, 2021 (Tuesday)** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue. Any recipient of the Notice, who has no voting rights as on the Cut-off date, shall treat this Notice as intimation only.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Your Directors have pleasure in presenting the management discussion and analysis report for the year ended on March 31, 2021.

### 1. INDUSTRY STRUCTURE AND DEVELOPMENTS:

The global power sector is on the cusp of a major transformation with new energy sources and new players entering the arena of energy supply. Nations, corporates, individuals across the globe are rising to the cause of climate change, and are consciously opting for greener sources of energy, resulting in the rising share of renewables in the debate on power sector's transition portfolio mix. The COVID-19 pandemic has further stimulated the debate on power sector's transition from fossil fuels to cleaner energy sources. Additionally, electric vehicles, digitalisation, battery storage, cyber security, big data analytics, hydrogen fuel are some of the key emerging trends that could profoundly define the way the global power and renewable markets operate in the coming years.

The COVID-19 pandemic brought about unprecedented changes in 2020 to the power sector worldwide, with significant demand disruptions, supply chain bottlenecks, decline in fuel prices, changes in energy consumption profiles, asset sales and acquisitions. It imparted the worst ever impact delivered by any crisis on the global economy and the power sector. Global Gross Domestic Product (GDP) posted the biggest decline of -3.3% as per IMF April 2021 report in the past 20 years and the power demand contraction of 1% was the sharpest registered in more than 50 years. Power demand is likely to recover slowly from the COVID-19 disruptions, driven by developing economies such as China and India, which have shown growth resilience and a steady increase in power demand, following the easing of lockdown measures. While the extent of demand revival in 2021 remains to be seen, the roll out of vaccines and policy support-led revival in economic activities (6% world GDP growth projected for 2021 by IMF) create grounds for the recovery of power demand in most countries.

Falling costs of wind and solar power are making way for increased investments in renewables that are now the preferred mode for energy generation and sourcing. Renewable capacity addition has beaten all previous records, with more than 260 GW being added in 2020, exceeding 2019 growth by 50% as per the report released by International Renewable Energy Agency (IRENA). Share of renewables in new capacity additions rose considerably for the second year in a row, accounting for more than 80% of the capacity additions, with solar and wind accounting for 91% of the renewables. As per International Energy Agency (IEA) World Energy Outlook 2020, renewables are expected to overtake coal as the primary means of producing global electricity in 2025.

The year 2020 was marked by one of the biggest health challenges faced by the world. It impacted all segments of the economy, and the power sector was no exception. India's demand for power fell significantly by 8.5% in the first half of FY21 but picked up pace in the second half of the fiscal, with the easing of lockdown measures. In fact, the country recorded the highest ever peak power utilisation of 190 GW in FY21. The Government of India is focussing on renewable energy growth in alignment with sustainability and carbon emission reduction targets. It plans to raise renewable energy capacity from targeted level of 175 GW in 2022 to 450 GW by 2030. However, till March 2021, India has been able to achieve just about 54% of its ambitious renewable capacity target of 175 GW by 2022 due to a slow-down in signing of new Power Purchase Agreements (PPAs) by DISCOMs as they are becoming circumspect due to the declining tariff environment and COVID 19 related disruptions. India needs a massive 80.5 GW installation to achieve this target of 175 GW by 2022, giving companies in the sector a significant headroom for environmentally friendly growth. In FY 2020-21, for the first time, solar power outpaced wind power in terms of aggregate installed capacity having total installed capacity of approx. 40.6 GW. As per the estimates of International Energy Agency, the share of solar energy in India's power generation could be equal to coal-fired energy output by 2040. The overall share of renewable energy is expected to increase further with growing priority of ESG (Environmental, Social and Governance) investments among strategics, global investors and government. There is also a renewed thrust for hydro power by GoI, which is evident from introduction of Hydro Power Obligation. Though India's transmission grid is one of the best in the world given the investments made over the last two decades in EHV/ HV network, continuous investments in EHV/HV network are required to handle new generation capacities specifically from renewables. This has opened up avenues of growth for transmission sector with new projects being announced for evacuation of green power through Green Energy Corridor in the country.

Another focus area of the Government is the Distribution segment, which is already reeling under heavy financial stress due to low operational efficiencies. Though the GoI has announced various reforms including schemes as a part of COVID-19 relief package, the ultimate objective of DISCOMs' financial sustainability and turnaround continues to remain a matter of concern. Such objective can be achieved only when inherent inefficiencies of various State DISCOMs are improved. The increasing GAP between ACS and ARR, high Aggregate Technical & Commercial (AT&C) losses, mounting dues towards electricity bills, etc. have reduced the reliability and affordability

of power. Recognising the fact that every DISCOM has its own set of problems and that the plan should be tailor-made for each DISCOM's requirement with mapping of problems and solutions clearly demarcated, the government during the year came up with "Revamped reforms linked results-based distribution sector scheme", whereby the government will provide grant towards developing smart metering and distribution infrastructure targeting loss reduction and system strengthening. Further, the Govt's announcement to privatise DISCOMs of all the Union Territories (UTs) is a welcome step in the direction of addressing inefficiencies of the distribution sector. In case the State DISCOMs are not able to improve the technical and financial parameters, they too will have to gradually move towards privatisation.

In the coming year, a sharp rebound in power demand is expected. However, the outlook remains clouded due to the recent surge in COVID-19 cases sweeping the country. On the back of increasing demand and ongoing vaccination drive, India is expected to grow at a double-digit rate in FY 2021-22 as per the IMF estimates. Resolution of stressed thermal assets which is almost at a standstill amid COVID-19 led disruptions, is also expected to pick-up in the coming year.

During the period under review, the Company had been engaged in the business of power generation, electric power, light and supply and to generate and accumulate electric power and renewable energy i.e. wind, solar. Kintech Renewables Limited is a Public Limited Company listed with BSE Limited (Formerly known as Bombay Stock Exchange) having its Corporate Identification Number L40105GJ1985PLC013254 and incorporated in year 1985.

Kintech Group, at a large is having its excellent portfolio in the field of renewable energy. It is also an Independent Power Producer Company (IPP) incorporated under the Companies Act, 1956. Further, Kintech Renewables Limited is also Engineering, Procurement and Construction (EPC) Company which is in the business of turnkey wind / solar power solutions like solar rooftop development in commercial and Industrial sectors, solar power generation and maintenance services.

## 2. OPPORTUNITIES AND THREATS:

### Regulatory and Policy Developments:-

Regulatory and policy reforms in the sector are critical, given the current challenges across the value chain. The Ministry of Power issued the Electricity Amendment Bill 2021, which, inter alia, proposes to replace the process of distribution license with the proposed Discom registration process. This would ultimately enable consumers to choose one from multiple Discoms. Essentially, the Electricity Amendment Bill 2021 delicenss the distribution business, brings in competition, the appointment of member from law background in every commission, strengthens the Appellate Tribunal for Electricity (APTEL) and prescribes rights and duties of consumers. In addition, Electricity (Rights of Consumers) Rules, 2020, notified on 31st December 2020, establishes the rights of consumers, including the rights of prosumers. Further, the Rules inter alia have stringent provisions for timelines for new connections and mandatory use of smart/prepayment meters and so on. The State Commissions are expected to notify the standards of performance for the distribution licensees.

The Ministry of Power also notified the Electricity (Late Payment Surcharge) Rules, 2021 on 22nd February 2021. In the said Rules, late payment surcharge is linked to marginal cost of funds-based lending rate for one year of the State Bank of India. On 26th February 2021, the Ministry of Power issued a letter on the 'Implementation of Smart pre-payment meter/prepayment meter'. Vide the said letter, Discoms are, inter alia, required to provide all new connections through smart prepayment meters/pre-payment meters.

On 31st March 2021, the Ministry of Environment, Forest and Climate Change (MoEFCC) issued the Environment (Protection) Amendment Rules, 2021 to further amend the Environment (Protection) Rules, 1986. The aforesaid amendment specifies relaxed timelines for compliance with the emission norms for thermal generating plants that fall in different categories determined by a task force constituted by the Central Pollution Control Board. Penal provision in the form of Environmental Compensation has been introduced if there is delay in completion of installation of the emission control equipment.

### Government initiatives:-

**Ujjwal Discom Assurance Yojna (UDAY):** The electricity distribution companies of India (DISCOMs) in India are lagging in eliminating the gap between the average cost of supply and realisable revenue (ACS-ARR gap), with the gap standing at Rs.0.52/ unit in FY21 (data for 23 States). Moreover, as per the UDAY dashboard, the aggregate technical and commercial (AT&C) losses was 23.17% (data for 24 States). The Ujjwal Discom Assurance Yojana (UDAY) is directed at the financial turnaround and revival package for discoms. This initiative expects to add an additional 1 Lakh ckt km of transmission lines and 2.9 Lakh MVA of transformation capacity between 2017 and 2022.

**Integrated Power Development Scheme (IPDS):** The scheme was launched by the Ministry of Power, Government of India with two primary objectives: (a) Strengthening of sub-transmission and distribution network in the urban areas and (b) Metering of transformers/ feeders/ consumers. The Government of India has allocated Rs.32,612 Crore under the requirement of budgetary support for this scheme, which is expected to bring further growth in the Indian transmission sector. The component of IT enablement and strengthening of distribution network approved in June 2013 in the form of RAPDRP for the 12th and 13th Plans were subsumed in this scheme and approved with an outlay of Rs.44,011 Crore (new IPDS scheme). As per MoP till FY 2019, the IT enablement of 648 towns was completed against a targeted sanctioned project for 4879 towns.

**Budget allocation:** The Union Budget 2021-22 provided 3.05 Lakh Crore for India's power distribution, which is to be released over the next five years. This initiative has been aimed at helping the distribution infrastructure development, feeder separation and smart meter installation. However, the Budgetary allocation of Rs. 1 Lakh was made towards the reform linked distribution scheme under the Ministry of Power. The new reform scheme is likely to be merged with the two flagship existing schemes for urban and rural reforms — IPDS and DDUGJY – which received Rs. 3,750 Crore and Rs.3,600 Crore respectively from the budget. While the IPDS scheme went through a 1.35% rise in the budgetary outlay, the DDUGJY budget grant increased by 80%.

**National Hydrogen Energy Mission:** The Finance Minister of India Nirmala Sitharaman proposed to launch the National Hydrogen Energy Mission in the Union Budget 2021-22.

#### **THREATS:-**

##### **Wind and solar costs continue to go down:-**

There is little doubt that massive cost reductions in the last decade are one of the main reasons behind renewables rapidly transforming the global electricity mix. The cost of electricity from onshore wind and solar PV is increasingly cheaper than from new and some existing fossil fuel plants. In most countries, renewables are the cheapest way of meeting growing demand.

Wind and solar PV developers in 2020 won auction bids at record low contract prices, ranging from below USD 20/MWh to 50/MWh. Offshore wind has achieved significant scale-up and cost reduction over recent years driven by policies in Europe. This success should soon be repeated in emerging offshore wind markets in Asia and North America, with economies of scale further reducing costs. The increasing share of VRE has opened a new horizon to maximise hydropower's contribution to flexibility and spur investment in battery storage technologies. All these developments were mainly driven by government policies fostering competition and new flexibility sources.

While supply disruptions may lead to local transitional price fluctuations, there is no sign to date that the Covid-19 crisis will change these declining cost trends. For instance, in the case of solar PV, manufacturing overcapacity is expected to reach record levels in the coming years which will put further downward pressure on module prices.

Some impacts on policies are already visible. Initial government policies to tackle Covid-19 challenges have focused mainly on extending project-commissioning deadlines and postponing planned auctions. France, the United Kingdom, Greece and Germany have provided some flexibility for developers who are not able to meet policy-related final commissioning dates. While these measures protect deployment in 2020 and 2021, the delay of auctions will also have an impact beyond 2021. In some countries the postponement is indefinite, creating significant uncertainty and increasing risk for investors and finance.

With the declining cost of renewables, corporates have increasingly signed power purchase contracts directly with wind and solar projects outside the main government policy schemes to meet their private decarbonisation goals and also to hedge against future price volatility. Developers of wind and solar projects entering these agreements have accepted additional risk from shorter contracts and greater exposure to wholesale electricity prices. While project development tied to private agreements accounts for about a quarter of projects in the pipeline, lower electricity demand, plummeting power prices and a weaker financing environment may lead to such projects being reconsidered.

### **3. SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE:-**

Kintech Renewables Limited is also Engineering, Procurement and Construction (EPC) Company which is in the business of turnkey wind / solar power solutions like solar rooftop development in commercial and Industrial sectors, solar power generation and maintenance services.

The Company has achieved total revenue of Rs. 6,30,93,245/- as against of Rs. 14,19,600/- in the previous year. Net profit for the year is Rs.30,18,953/- as compared to the net profit of Rs. 47,04,981/- in the previous year. The Company is striving hard to perform better in the current year.

**4. OUTLOOK, RISKS AND CONCERNS:-**

The outlook for the country appears to be positive in view of the possibility that three down cycles – long term, medium-term and short-term – could well be reversing at the same time. The long-term downtrend, as a result of non-performing assets, scams and overcapacity could be over; the medium-term downtrend was caused by the ILFS crisis, select banks collapse as well as affected NBFCs and companies; the short-term downtrend was on account of the pandemic. There is a possibility of each of these downtrends having played out that could well lead to a multi-year revival in capital investments. Besides, a change in the US leadership could result in a revival in global, trade, benefiting Indian exporters. The Indian economy is projected to grow by more than 10% in FY22, making it one of the fastest growing economies. India's growth journey could be the result of a culmination of favourable tailwinds like consistent agricultural performances, flattening of the COVID-19 infection curve, increase in government spending and favourable policies and the quick roll out of the vaccine, among others.

India's PV deployment is forecast to decrease by 23% in 2020 compared to 2019, with the largest drop anticipated in distributed PV installations. Challenges concerning the financial health of state-owned companies responsible for the distribution and sale of electricity (DISCOMs) persist, hampering faster growth of renewables. The Covid-19 crisis has put additional pressure on DISCOMs and therefore on solar PV and wind development. A rebound is expected in 2021, with capacity additions exceeding 2019 levels. The weak financial health of DISCOMs has already resulted in slowing development of distributed PV, delays in signing new PPAs with solar developers and contract renegotiations. During the lockdown, India's electricity demand declined by 25%, mostly in industrial and commercial segments, which account for the majority of DISCOMs' revenues in most states. Initial IEA estimates indicate a possible 6% year-on-year decline in demand in 2020, further worsening DISCOMs' already challenging finances. This situation has been compounded by supply chain disruptions and the strict lockdown measures that forced many workers to return to their hometowns. As a result, our forecast expects a slowdown in the construction of utility-scale projects. In addition, macroeconomic challenges may lessen the willingness of electricity consumers to invest in distributed PV. Overall, our combined PV capacity additions in 2020 and 2021 are 19% below our previous forecast, as growing challenges hamper faster growth.

**5. INTERNAL CONTROL SYSTEMS & THEIR ADEQUACY:**

The Company has strong internal control procedures in place that are commensurate with its size and operations. The Board of Directors, responsible for the internal control system, sets the guidelines and verifies its adequacy, effectiveness and application. The Company's internal control system is designed to ensure management efficiency, measurability and verifiability, reliability of accounting and management information, compliance with all applicable laws and regulations, and the protection of the Company's assets. This is to timely identify and manage the Company's risks (operational, compliance-related, economic and financial).

It also has an effective audit committee in place which carefully scrutinizes audit reports submitted by the internal auditors. The internal control system is supplemented by an extensive program of internal audits, reviews by management, and documented policies, guidelines and procedures. The Audit Committee periodically reviews the internal controls systems and reports their observations to the Board of Directors. The Directors have appointed M/s. Nilesh Desai & Co, Chartered Accountants as the Internal Auditors of the Company for the FY 20-21.

**6. DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:-**

During the year, the Company has recorded a turnover of Rs. 630.93 Lacs as compared to Rs. 14.20 Lacs in the previous year. The Company has made net profit of Rs. 30.19 Lacs as compared to Rs. 47.05 Lacs of the previous year after providing depreciation, tax, etc. for the year ended 31st March, 2021. The Company is expected to continue to deliver strong growth in the future.

**KEY FINANCIAL RATIOS FOR FINANCIAL YEAR 2020-21 COMPARED WITH FINANCIAL YEAR 2019-20:-**

S.N.	Particulars	F.Y. 2020-21	F.Y. 2019-20	YoY Change (in %)
1	Debtors Turnover (times)	0.82	0.07	1071.43
2	Inventory Turnover (times)	0.01	3.02	(99.67)
3	Interest Coverage Ratio (times)	-	-	-
4	Current Ratio (% terms)	18,898.41	4280.07	341.54
5	Debt Equity Ratio (times)	0.01	-	(50)
6	Operating Profit Margin (% terms)	6.59	452.82	(98.54)
7	Net Profit Margin (% terms)	4.78	331.43	(98.55)
8	Return on Net Worth(% terms)	2.56	4.10	(37.56)

**REASONS FOR SIGNIFICANT CHANGE IN KEY FINANCIAL RATIOS FOR FINANCIAL YEAR 2020-21:-**

- I. **Debtors Turnover (times):** The company's debtor's turnover ratio has changed from 0.07 times in the previous year to 0.82 times as compared to the current year which is in tune with increased turnover. The company debtors turnover ratio is well within the industry normal standards.
- II. **Inventory Turnover (times):** The company's Inventory turnover ratio has reduced from 3.02 times in the previous year to 0.01 times as compared to the current year because of the turnover has been increased during the year under review.
- III. **Current Ratio (% terms):** The company is having cash surplus which is invested in Fixed Deposit in the bank and due to such deposit current ratio of the company is high.
- IV. **Operating Profit Margin (% terms):** Operating profit margin of the company was 6.59% for projects undertaken during the current financial year.
- V. **Net Profit Margin (% terms):** Net profit margin of the company is 4.78% for projects undertaken during the current financial year.
- VI. **Return on net worth (% terms):** Return on net worth of the company is 2.56% for the financial year as compared to 4.10% in the previous financial year because of decrease in Net profit of the company as compared to previous year.

**7. HUMAN RESOURCE DEVELOPMENT:**

The Company believes that the human resources are vital in giving the Company a Competitive edge in the current business environment. The Company's philosophy is to provide congenial work environment, performance oriented work culture, knowledge acquisition / dissemination, creativity and responsibility. As in the past, the Company has enjoyed cordial relations with the employees at all levels. As the job market continues to be challenging, regular workforce planning is the key in our talent acquisition plan. The Company continues to run an in-house training program held at regular intervals and aimed at updating their knowledge about issues. Organization's competitive advantage is generated from the human resources and the performance of the organization is influenced by a set of effective HR practices.

**8. CAUTIONERY STATEMENT:**

Readers are cautioned that this discussion and analysis contains forward-looking statements that involve risks and uncertainties. The Company undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise. Actual results, performances or achievements could differ materially from those expressed or implied in such forward-looking statements. ## INDEPENDENT AUDITOR'S REPORT

To The Members of  
**KINTECH RENEWABLES LIMITED**

### Report on the Audit of the Standalone Financial Statements

#### Opinion

We have audited the standalone Financial Statements of **KINTECH RENEWABLES LIMITED**, which comprise the balance sheet as at March 31, 2021, and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

#### INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITORS' REPORT THEREON

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

#### Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern

basis of accounting unless the board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with Standards on Auditing ('SAs'), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- c. The Balance Sheet, the Statement of Profit and Loss, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d. In our opinion, the aforesaid Financial Statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act read with Companies (Indian Accounting Standard) Rules 2016.
- e. On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**".
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company does not have any pending litigations which would impact its financial position.

## **ANNEXURE – B TO THE AUDITOR’S REPORT**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Kintech Renewables Limited as of 31 March 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls:**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors’ Responsibility:**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors’ judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting:**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting:**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion:**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## Notes to the Financial Statements for the year ended 31st March, 2021

### 1 Reporting Entity

Kintech Renewables Limited ('the Company') is a public company located in India, having its registered office situated at Shivalik Plaza, IIM Road, Ahmedabad. The Company was originally incorporated on 9 April 1985 and its shares are listed on Bombay Stock Exchange (BSE). The Company is primarily engaged in the business segment of renewable energy.

### 2 Basis of preparation of financial statements

#### a) First Time Adoption of Ind AS :

As stated in Significant Accounting Policies the first financial statements prepared in accordance with Ind AS were for the year ended 31 March 2018. The Company had prepared its financial statements in accordance with Companies (Accounting Standards) Rules, 2006 notified under Section 133 of the Act ('previous GAAP')

#### b) Basis of measurement :

The financial statements have been prepared on historical cost convention on the accrual basis

#### c) Use of estimates and judgements :

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Estimates and underlying assumptions are reviewed on an ongoing basis. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. The application of accounting policies that require critical accounting estimates involving complex and subjective judgements and the use of assumptions in these financial statements have been disclosed below. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. The changes in the estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

#### d) Current and non-current classification :

All assets and liabilities are classified as current or noncurrent as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act.

#### Assets:

An asset is classified as current when it satisfies any of the following criteria:

- (i) it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- (ii) it is held primarily for the purpose of being traded;
- (iii) it is expected to be realised within 12 months after the reporting date; or
- (iv) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include current portion of non-current financial assets.

All other assets are classified as non-current.

#### Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- (i) it is expected to be settled in the Company's normal operating cycle;
- (ii) it is held primarily for the purpose of being traded;
- (iii) it is due to be settled within 12 months after the reporting date; or
- (iv) the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include current portion of non-current financial liabilities.

All other liabilities are classified as non-current.

e) **Operating Cycle**

For the purpose of current/non-current classification of assets and liabilities, the Company has ascertained its normal operating cycle as three months.

f) **Property, Plant And Equipment**

Property, Plant and Equipment are stated at cost, net of accumulated depreciation. The cost comprises purchase price borrowing cost if capitalization criteria are met and directly attributable cost of bringing the assets to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditure related to an item of assets is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing assets, including day to day repaired maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from de recognition of assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit & loss when the asset is de recognized.

g) **Depreciation on Property, Plant And Equipment:**

Depreciation on fixed asset is calculated on Straight Line method considering the useful life prescribed under the Schedule II to The Companies Act, 2013.

h) **Intangibles**

Intangible assets are stated at cost of acquisition net of accumulated amortisation and impairment. The cost comprises purchase price. The cost capitalised are amortised on a straight-line basis over their estimated useful lives as prescribed under the companies act 2013.

Gains or losses arising from de recognition of assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit & loss when the asset is de recognized.

i) **Cash flow Statement**

Cash flows are reported using the indirect method, whereby, profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expense associated with the investing or financing cashflows. The cash flows from operating, investing and financing activities of the company are segregated.

j) **Revenue Recognition**

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have passed to the customer, usually on delivery of goods. The Company collects VAT, CST and GST on behalf of the government and therefore, these are no economic benefits flowing to the Company. Hence they are excluded from revenue.

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest Income is included under the head "Other Income" in the statement of profit & loss.

k) **Income Tax**

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdiction where the company operates. The tax rates and tax laws used to compute the amount are those that are enacted, at the reporting date.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been announced up to the Balance Sheet date. Deferred tax assets and liabilities are recognized for the future tax consequences

attributable to timing differences between the taxable income and accounting income. The effect of tax rate change is considered in the Profit & Loss Account of the respective year of change.

**l) Earnings per share**

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period.

**m) Provisions and Contingent liabilities**

A provision is recognized when the Company has a present obligation as a result of past event. It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimate.

Where no reliable estimate can be made, a disclosure is made as a contingent liability. A disclosure for a contingent liability is also made when there is a possible obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

**n) Dividend**

The final dividend is recognized in the financial statements as and when declared in AGM and payment made.

**o) Cash & Cash equivalents**

Cash and cash equivalents comprise cash and cash on deposit with banks and corporations. The company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

**p) Merger and Acquisition**

# The Company Divine Windfarm Private Limited (DWPL) (Wholly Owned Subsidiary) (Transferor Company) was merged with Kintech Renewables Limited (KRL) (Parent Company) (Transferee Company) vide order of National Company Law Tribunal dated:30,January 2020 effective from 01, April 2019.

The Company has given effect of merger in accordance with common control merger of accounting as prescribed under Indian Accounting Standard 103 - "Business Combination" as notified under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015 and other applicable accounting standards and rules prescribed under the Act.

**q) A. Optional exemptions availed**

**1 Property, Plant and Equipment**

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1 April 2016, measured as per the previous GAAP, and use that carrying value as the deemed cost of such property, plant and equipment. The same election has been made in respect of intangible assets.

**B. Mandatory Exceptions :**

**1 Estimates**

As per Ind AS 101, an entity's estimates in accordance with Ind AS at the date of transition to Ind AS at the end of the comparative period presented in the entity's first Ind AS financial statements as the case may be, should be consistent with estimates made for the same date in accordance with the previous GAAP unless there is objective evidence that those estimates were in error. However the estimates should be adjusted to reflect any differences in accounting policies.

As per Ind AS 101, where application of Ind AS requires an entity to make certain estimates that were not required under previous GAAP, those estimates should be made to reflect conditions that existed at the date of transition (for preparing opening Ind AS balance sheet) or at the end of the comparative period (for presenting comparative information as per Ind AS).

The Company's estimates under Ind AS are consistent with the above requirements.

**2 Derecognition of financial assets and liabilities**

As per Ind AS 101, an entity should apply the derecognition requirements in Ind AS 101, Financial

Instruments, prospectively for transactions occurring on or after the date of transition to Ind AS. However, an entity may apply the derecognition requirements retrospectively from a date chosen by it if the information needed to apply Ind AS 109 to financial assets and financial liabilities derecognized as a result of past transactions was obtained at the time of initially accounting for those transactions.

The Company has elected to apply the derecognition principles of Ind AS 109 prospectively.

### **3 Classifications and Measurement of Financial Assets**

Ind AS 101 requires an entity to assess classification of financial assets on the basis of facts and circumstances existing as on the date of transition. Further, the standard permits measurement of financial assets accounted at amortized cost based on facts and circumstances existing at the date of transition if retrospective application is impracticable.
