New Delhi

MTPA.

Adani Cement has been scouting for acquisitions even as the firm was looking at organic growth to achieve the target of 140 MTPA by 2028. In 2023, Ambuja Cement acquired Sanghi Industries, which had a production capacity of 6.1 MTPA, and later in January this year, its subsidiary ACC closed the acquisition of the balance 55% stake in Asian Concretes and Cements (2.8 MTPA).

Adani Group had forayed into the cement sector with the acquisition of Switzerland-based Holcim Group's stake in Ambuja Cement and ACC for \$6.6 billion in September 2022.

The firm had also announced plans to start 4 MTPA clinkering and 4.8 MTPA cement capacity in the fourth quarter of FY25.

According to an Icr report released on Thursday, the market share of top five cement companies is expected to increase to 55% by March 2025, backed by a healthy demand.

The market share of the top five companies—UltraTech Cement, Adani Group, Shree Cement, Dalmia Cement (Bharat) and Nuvoco Vistas—witnessed a steep rise to 54% as of December 2023 from 45% as of March 2015. These firms are also looking to increase their capacity and maintain market share through organic and inorganic expansions.
